# 4 Day Short Safari

*Bringing Your Wildest  
Dreams to Life!*

---

**This program is designed for the adventurer that only has four days to spend on safari and wants to experience two major highlights of Northern Tanzania - Visiting Ngorongoro Crater and two nights in Ndutu (Southern Serengeti)**

**Available year round at limited accommodations, but best enjoyed between December-March annually.**

**100% customizable**

## Program Overview

Day 1: Ngorongoro Crater

Day 2: Ndutu (Southern Serengeti NP)

Day 3: Ndutu (Southern Serengeti NP)

Day 4: Ndutu- Transfer to Arusha

## Ngorongoro Crater

Your guide will collect you from your accommodation in the morning and you will transfer to the Ngorongoro Crater. After passing through the gates you will start your descent into this incredible caldera - the world's largest intact, inactive volcano. Game drive all morning - Ngorongoro is known for a population of lions, buffalo and if you're lucky the endangered black rhino. Stopping for an elegant picnic lunch served on full tableware with a selection of beverages.

The game drive will continue after lunch until it is time to ascend the crater again and head back to your accommodation.

## Ngorongoro Crater Recommended Accommodations

Mid-Range - Angata Ngorongoro Camp  
Mid-Range - Rhino Lodge  
Luxury - Serena Ngorongoro  
Luxury - Karibu Lion Paw  
Luxury + - Asilia Highlands

## Transfer to Ndutu (Southern Serengeti)

After breakfast you will start to transfer to the Serengeti - crossing through the Ngorongoro conservation region the landscape is dotted with Maasai boma and their herds of cattle with the odd zebra or wildebeest following along.

## Ndutu Recommended Accommodations

Mid-Range - Heritage Ndutu Camp  
Mid-Range - Nyikani Migration Camp  
Luxury - TWC Lake Masek  
Luxury - Karibu Woodlands Camp  
Luxury + - Elewana Migration Camp

## Ndutu (Southern Serengeti)

Spend all day as you please - full day game drive or morning game drive with an afternoon relaxing at your camp or lodge, this is the perk of having your own private guide and truck!

Ndutu (Southern Serengeti) is a magical place, with few formal roads it is one of the places in the Serengeti that off roading is allowed and expected! This region is where the great migration returns to every December-March to give birth to over half a million wildebeest calves. Due to volcanic ash from many years ago the grass here are particular rich in important minerals vital for the calves bone growth.

Additional Activities available for add on: Hot air balloon safari

## Transfer back to Arusha

After breakfast start the transfer back to Arusha. Stopping for an elegant picnic lunch along the way.

Additional activities available on this day: Maasai Boma & cultural experience or visit Olduvai Gorge and museum.
