# 4 Day Short Safari

*Bringing Your Wildest  
Dreams to Life!*

---

**This program is designed for the adventurer that only has four days to spend on safari and wants to experience two major highlights of Northern Tanzania - Visiting Ngorongoro Crater and two nights in the Serengeti.**

**Available year round and 100% customizable**

## Program Overview

Day 1: Ngorongoro Crater

Day 2: Serengeti NP

Day 3: Serengeti NP

Day 4: Serengeti - Transfer to Arusha

## Ngorongoro Crater

Your guide will collect you from your accommodation in the morning and you will transfer to the Ngorongoro Crater. After passing through the gates you will start your descent into this incredible caldera - the world's largest intact, inactive volcano. Game drive all morning - Ngorongoro is known for a population of lions, buffalo and if you're lucky the endangered black rhino. Stopping for an elegant picnic lunch served on full tableware with a selection of beverages.

The game drive will continue after lunch until it is time to ascend the crater again and head back to your accommodation.

## Ngorongoro Crater Recommended Accommodations

Mid-Range - Angata Ngorongoro Camp  
Mid-Range - Rhino Lodge  
Luxury - Serena Ngorongoro  
Luxury - Karibu Lion Paw  
Luxury + - Asilia Highlands

## Transfer to Central Serengeti

After breakfast you will start to transfer to the Serengeti - crossing through the Ngorongoro conservation region the landscape is dotted with Maasai boma and their herds of cattle with the odd zebra or wildebeest following along.

Serengeti is thought to be derived from a Maasai word 'serengit' meaning endless plains. Feel life's worries melt away as your cruise along the savannah so far from your everyday troubles.

## Central Serengeti Recommended Accommodations
