

2 Day Short Safari

*Bringing Your Wildest
Dreams to Life!*

This program is designed for the adventurer that only has two days to spend on safari and wants to experience major highlights of Northern Tanzania - Visiting Tarangire and Ngorongoro Crater. This program can depart any day of the week from Arusha or Manyara Region.

Available year round and 100% customizable

Program Overview

Day 1: Tarangire National Park

Day 2: Ngorongoro Crater

Tarangire National Park Day

Your guide will collect you from your accommodation in the morning and you will transfer to Tarangire NP (~150km). Game drive all day in the beautiful Tarangire National Park, famous for a large population of elephants, baobab trees and zebras. Stopping for a delicious picnic lunch, served on full tableware with a selection of beverages. The picnic area is located in a great location with an observatory of the river below. Spend the rest of the afternoon game driving before heading to your accommodation for the evening.
